With our Mediterranean style climate, we have over 200 Cafés, Tearooms and Restaurants for you to choose from and many are listed in this FREE English Riviera Cafés, Tearooms and Restaurants Guide. Many are award winning places to eat and we are very lucky to have so many talented local chefs.

We have arranged the new Guide by location (Babbacombe, Torquay, Cockington, Paignton, Brixham) as well as by services offered, shown as icons to help you find your own preferences quickly. Our Restaurants, Cafés, Tearooms, Pubs and Bars are also listed on the English Riviera web site.

Locally at Brixham Fish Market we land over 40 varieties of world class fresh fish and seafood and if you are looking for something different to do you can book an early morning tour on selected dates to see the live auction. You will find more details on the English Riviera web site.

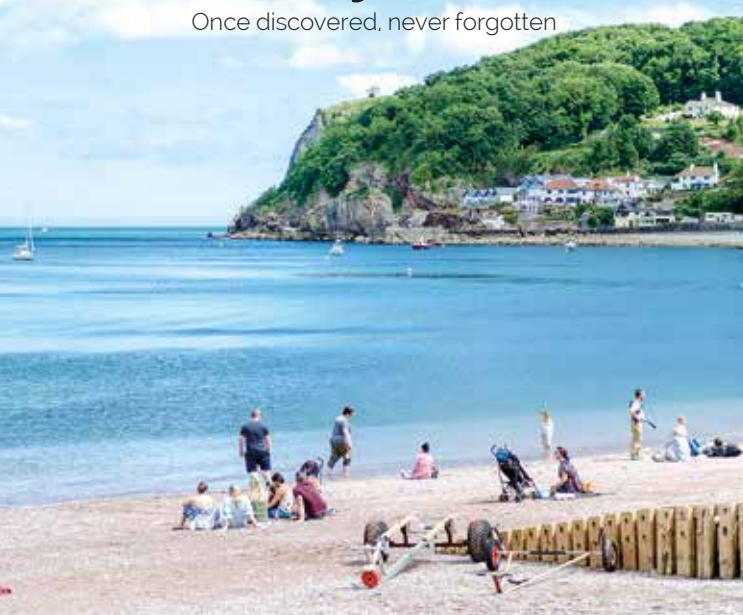

Once a year we stage an annual Seafood FEAST which offers an inspiring programme of special menus and foodie events organised by local chefs in their own kitchens. This year's Seafood FEAST will be taking place from September 18th – October 4th.

We sincerely hope that you have a very enjoyable time visiting all the great places to eat. We ask just one thing, please remember to put your cream on first if you have a Devon Cream Tea!!

There's always so much going on with a choice of events including the International Agatha Christie Festival and Torbay Royal Regatta. Pay a visit to the penguins and seals at Living Coasts and there's the sea to explore too with regular seasonal ferries, sightseeing pleasure boats or fishing trips.

Fish & Seafood Specialty

The English Riviera is known as England's Seafood Coast for good reason.

Having gained a reputation for its exceptionally high-quality fish and seafood landed at Brixham Fish Market the only live fish auction in the UK.

You can take a pre-booked guided early morning tour to watch the auction. This high-quality and varied catch of fish and shellfish is served at some of the top tables across the country and internationally.

You don't have to go far to sample our local fish with over 40 varieties including hake, mackerel, lemon sole, seabass, plaice, cuttlefish, crab and lobster landed daily at Brixham Fish Market.

The English Riviera has many great chefs and a growing choice of fantastic dining restaurants and cafés serving local fresh fish and seafood.

Since 2018, the English Riviera has organised a two-week autumn food festival called England's Seafood FEAST. The annual programme includes many specially themed events, menus and food tastings in a number of venues across the bay. England's Seafood Coast has so much to offer in addition to fantastic local fish and seafood.

Much more to explore...

Explore a UNESCO Global Geopark, visit Kents Cavern pre-historic caves, experience an abundance of water-based adventures, enjoy breath-taking coastal walks, soak up sublime sea views and take a trip on a steam train.

Visit the area that inspired Agatha Christie the world's greatest crime writer.

It's all waiting for you to enjoy on England's Seafood Coast.

Food with a view

Dine in style with a sea view

The English Riviera is perfectly positioned around a large, idyllic horseshoe shaped bay, protected by low hills with calm, sheltered waters.

Our Mediterranean style climate is perfect for a spot of alfresco dining and you'll be spoiled for choice with many cafés and restaurants having spectacular waterfront locations.

Walk along the delightful palm-tree lined seafront promenade in Torquay and you'll notice a steady stream of satisfied customers relaxing in the sunshine, taking in the stunning sea views and enjoying a casual drink at popular sea front locations like Pier Point restaurant and bar.

Watch the world go by at Below Decks on Beacon Quay with its continental style outdoor seating, heated parasols and stunning picture postcard views of Torquay harbour.

If you're looking for a break from paddle boarding, sailing or the wide selection of soft adventure activities that the resort has to offer, visit The Boathouse at Paignton for a refreshing drink or bite to eat. Sitting at the edge of the beautiful family-friendly Preston beach there are stunning views from the terrace stretching from Thatcher's Rock in Torquay across to Berry Head in Brixham.

Enjoy a traditional Devon Cream Tea or Sunday lunch in the relaxed and friendly atmosphere of 'The View' Brasserie at Berry Head Hotel, or at the Guardhouse Café on Berry Head, a national Nature Reserve.

Takeaways

Is anything better than Fish & Chips on the beach?

Can anything beat eating lunch with the feel of sand between your toes or when you're looking out across the sea?

It's very easy to spend a whole day (every day) at the beaches across the English Riviera, exploring the parks and gardens or taking a walk along the South West Coast Path taking in the magnificent sea views.

Devon Pasties, Cream Teas, Fish 'n' Chips and ice-cream are all in abundance here on the English Riviera!

Be prepared for a day out exploring with opting for a take away, giving you so much more flexibility without busting the budget. It's convenient too when you're out and about, with no need to stop and wanting to make the most of your day.

Across the English Riviera our fast food and takeaways come in all shapes and sizes to suit every taste. You won't be disappointed.

You'll find all the big-name family favourites as well as quirkier tastes, often made from the highest quality local produce.

Why not pop into one of our many local cafés for a takeaway Devon-made pasty, or a sausage roll for a special holiday treat for lunch or tea.

Down on the beach the many colourful and friendly beach kiosks have a great choice of popular snacks available and a warm Devon welcome.
