A FABULOUS B&B STAY

Joanna Lumley has been living it up in style at the world's best B&B.

The British actor and presenter stayed at The 25 boutique B&B in Torquay as part of her ITV travel series, *Home Sweet Home*.

The 25 has been named 'Best B&B in the World' for the second year in a row by TripAdvisor.

As with all their guests, owners Andy and Julian Banner-Price made sure Joanna received the five-star treatment. After being shown to her sumptuous suite, Joanna, who famously played Patsy in the *Absolutely Fabulous* series, apparently enjoyed homemade Viennese whirls.

"It was lovely to meet Joanna," says Andy.

"We're pleased to be able to show off the English Riviera, particularly in a year where it looks like foreign holidays are off the cards again. It's the ideal opportunity to attract new people to Devon."
